Parley

Washington DC Mayor Muriel Bowser is requesting support by the National Guard for January 6th.

She never called them once during BLM Marxist riots over the summer, speaks volumes.

MURIEL BOWSER
MAYOR

December 31, 2020

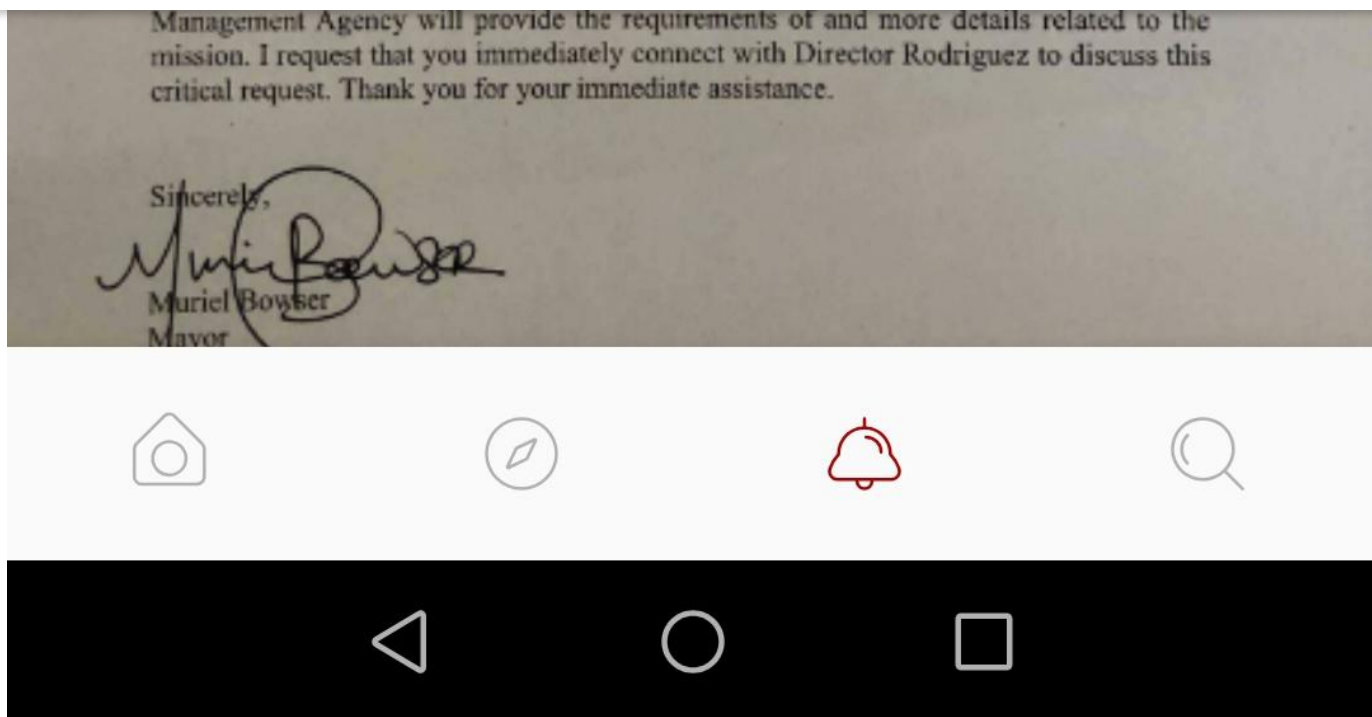

Major General William J. Walker
Commanding General
District of Columbia National Guard
2001 East Capitol Street, SE
Washington, DC 20003

Dear Major General Walker:

As you know, First Amendment demonstrations permitted by the National Park Service are scheduled to occur in the District of Columbia on Tuesday, January 5, 2021 and Wednesday, January 6, 2021. As a result, District Government requests DC National Guard (DCNG) support, as these demonstrations will follow similar events on November 14, 2020 and December 12, 2020, which resulted in a large influx of participants, violence and criminal activity.

The District of Columbia is requesting personnel from the DCNG. Further, DCNG will support operations for both the Metropolitan Police Department and the DC Fire and Emergency Medical Services. Finally, no DCNG personnel shall be armed during this mission, and at no time, will DCNG personnel or assets be engaged in domestic surveillance, searches, or seizures of U.S. persons.

4 ▼ The big thing is she wants them unarmed. President Trump should federalize the DC National Guard, have them come in armed, and order them to escort us into the Capitol in 1/6, and given them orders to shoot to kill against Antifa/BLM terrorists

2 ▼ IIRC, the DCNG reports directly to the president unlike state NG's.

3 Now that Dems are willing to call in the National Guard -- I say Trump should call General Hokanson, Commander of the Guard, to personally oversee that the DC Mayor doesn't interfere with their operations and that the National Guard ensures that the DC Mayor does not discriminate against the peaceful protesters and keeps them separated from the KNOWN violent BLM and Aunt Tifa Tard terrorists.

2 The same DC Mayor shutting stores selling food and water? The same Mayor trying to shut down public transport?

Just buy your own food and water before you get to DC. Use your legs to bypass any metro shutdown.

And the military? The people who put their lives on the line for their nation? The ones who had their votes trashed or altered by anti-Trumpers like the DC Mayor? You just need to tell them what happened to their votes in Georgia and explain that you request their assistance in preventing this ever occurred again.

Remember that you are the good guys.

1 meh.. Some will join us... the others will be apprehended or worse...
